British Masters Cycle Racing

Founded as the League of Veteran Racing Cyclists by Percy Stallard and Eddie Cook in 1986

Objective of BMCR

The provision of a programme of competitive and social cycling events for male and female members of 40 years of age and over.

Statement of Policy

The League of Veteran Racing Cyclists came into being to provide male and female members of 40 and over with competitive and social events, competition being in the form of age-related road races where riders compete against others in their own age groups. It has gradually developed to provide age-related circuit races, time trials, cyclo-cross and track racing, with national championships in all of these disciplines. It was re-named British Masters Cycle Racing in 2019.

Competitors in BMCR events must be members. The subscription provides membership from 1st September of any one year until 31st December of the following year. Each member is covered for third party insurance while riding in BMCR events and social activities of up to £10,000,000 indemnity.

There is no duplication with other cycling organisations so our members are free to join any other body as they wish. They can also be amateur or professional.

BMCR is administered by a National Executive Committee. The NEC has the power to take decisions on behalf of BMCR and may make or modify any regulations if this is considered necessary.

Each region of BMCR is administered by a regional committee. Members are always encouraged to put forward suggestions for the improvement of BMCR and its regulations and any such suggestions should be sent to the Chairman for consideration by the NEC.

We look forward to welcoming to our ranks all those of 40 and over interested in age-related racing.

BMCR REGIONS BY POSTCODE

Region 1/2 NW England: BB, BL, CA, FY, LA, PR, WN
Scotland: AB, DD, DG, EH, FK, G, HS, IV, KA, KW, KY, ML, PH, TD, ZE
